MISCELLANEOUS.

Moody is to hold evangelistic services
 in Atlanta in November.

A good appetite and refreshing sleep
 are essential to health of mind and body,
 and these are given by Hood's Sarsapa-
 rilla.

Dr. Conan Doyle is building a house
 in England very near to Tennyson's place
 at Aldworth, and will make his home
 there.

Sir Wilfrid Lawson, the Neal Dow of
 England, tells this story on himself:
 "There was a school in the north of Eng-
 land, and the master gave the children a
 long disquisition upon the steam engine,
 and when he thought they all understood
 it, he asked, "What is it that does the
 work of forty horses and drinks nothing
 but water? and they all called out, 'Sir
 William Lawson.'"

RELIEF IN SIX HOURS.—Distressing
 Kidney and Bladder diseases relieved in
 six hours by the "NEW GREAT SOUTH
 AMERICAN KIDNEY CURE." This new
 remedy is a great surprise and delight to
 physicians on account of its exceeding
 promptness in relieving pain in the blad-
 der, kidneys, back and every part of the
 urinary passages in male or female. It
 relieves retention of water and pain in
 passing it almost immediately. If you
 want quick relief and cure this is your
 remedy. Sold by all Druggists.

King Humbert of Italy is a true vege-
 tarian. He lives entirely on bread,
 vegetables and fruits. The doctors have
 forbidden him to drink coffee, and his
 principal beverage is pure water. The
 king never feels so well as when his fare
 is bread, potatoes and oranges. When
 asked by the young German Emperor what
 his favorite edible was, the king of Italy
 said "Peaches." Wilhelm II. thereupon
 ordered one hundred pounds' worth of the
 very finest from Thommery, near Fon-
 tainebleau, and sent them to him.

THAT TIRED FEELING

Is a common complaint and it is a danger-
 ous symptom. It means that the system
 is debilitated because of impure blood,
 and in this condition it is especially liable
 to attacks of disease. Hood's Sarsaparilla
 is the remedy for this condition, and also
 for that weakness which prevails at the
 change of season, climate or life.

Hood's Pills act easily, yet prompt-
 ly and efficiently on the bowels and liver.

One of the new magazines to be start-
 ed in New York in the fall will have no
 illustrations. Its projectors believe that
 "the illustration of our popular magazines
 is being overdone, and that the public is
 tiring of simple 'picture articles,' the chief
 merit of which lies not in the letter-press,
 but in the pictorial part." They affirm
 boldly that "articles are accepted by the
 editors of most magazines simply because
 of their adaptability to illustration, and
 that the intrinsic worth of the material
 itself is lost sight of, and purposely so.

A LAUGHABLE MISTAKE.

Two ladies entered a book-store re-
 cently and the younger asked the clerk for
 a book called "Favorite Prescription." The
 puzzled attendant was unable to comply
 with her request and she left the store
 disappointed. Inquiry elicited the fact
 that she had overheard a conversation be-
 tween two literary ladies in which "Fav-
 orite Prescription" was mentioned with
 extravagant praise, and had jumped to the
 conclusion that it was a book. She now
 knows that Dr. Pierce's Favorite Prescrip-
 tion is a sovereign cure for the ills and
 "weaknesses" peculiar to women, for she
 has been cured by its use. Send for a
 free pamphlet, or remit 10 cents in stamps
 for book (168 pages) on "Woman and
 Her Diseases." Address World's Dis-
 pensary Medical Association, N.Y.

Dr. Pierce's Pellets cure permanently
 constipation, sick headache, biliousness,
 indigestion and kindred ailments.
