GERMAN BITTERS,

PREPARED BY
DR C. M. JACKSON,
German Medicine Store,
No 120 Arch St. one door below Sixth, Philad'a.

Their power over the above diseases is not equalled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of Invalids. Possessing great virtues in the rectification of the liver and lesser glands, exercising the most searching power in weakness and affections of the digestive organs, they are without equal, certain and pleasant.

Capt Daniel Abbott, Brookline, Maine, July 16, 1853, says:—"I was taken sick one year ago, last April, upon my passage from Havana to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, no sleep or appetite. At last taking up a newspaper having your advertisement of "Hoofland's German Bitters" in it, I sent for some immediately, this was about 10 o'clock, at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid on me that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it."

Jos. B. HALL & Co., Presque Isle, Aroostook Co., Maine, April 21, 1854, say:—"We herewith send you a certificate of a cure performed by the use of only one bottle of the German Bitters. We think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story."

Messrs Jos. B. Hall & Co.—Gentlemen.—In answer to your inquiries I will state that my daughter, aged about 16 years, has been complaining of a pain in her side, for six or seven years, and about the first of January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by "Hoofland's German Bitters," I was induced to try it in her case, and sent to your store and purchased one bottle. She had taken it but a few days when she began to improve, and now, after taking only one bottle, she is enjoying better health than she has for years. She feels no pain in her side or any part of her body, and attributes her cure entirely to the German Bitters.

WILLIAM CLARK,
Salmon Brook, Aroostook Co., Me.

You should bear in mind, that these Bitters are ENTIRELY VEGETABLE, thereby possessing advantages over most of the preparations recommended for similar diseases.

TO THE PATRONS OF
PERRY DAVIS'
VEGETABLE

Pain Killer.

Owing to the large amount of Counterfeit Pain Killer put up and sold as genuine by unprincipled men, we have been obliged to resort to very expensive measures to protect ourselves pecuniarily, and the public from great injury, by buying and using their worthless counterfeits. The comparative plain and simple style in which our Pain Killer has been put up, has made it very easy for those disposed, to imitate it very successfully, as for as its external appearance, in style of bottle, label, and color of the article; but we need not say that the compound is a miserable, filthy production, and calculated to do great injury to those who might use it with the confidence that they have been accustomed to use the genuine Pain Killer. Parties whose business it is to counterfeit valuable preparations, do it in such a secret manner, that it is almost useless to attempt to punish them by legal measures, as it is difficult, and we might say impossible to bring the proof home to them.

Considering the great difficulty in protecting ourselves and the public by prosecuting parties, we have been to a very great expense in getting up a finely executed

STEEL ENGRAVED LABEL,

for our bottles. We also attach to our bottles a Steel Engraved Note of hand, which we issue as our obligation, and to counterfeit which is held to be forgery by the laws of the United States, and which parties will not dare attempt to do. The great expense attending the getting up and printing of these labels will prevent the attempt to counterfeit, thus securing to the public that the article they purchase is the genuine Perry Davis' Pain Killer, manufactured by Perry Davis & Son, Sole Proprietors.

The Pain Killer will be put up in a new style of panel bottle, with the words, **DAVIS' VEGETABLE PAIN KILLER,** blown in the Glass. We have discontinued the use of the 12½ and 37½ cent bottles, and now put up only three sizes, viz, at 25 cents, 50 cents, and 1.00 per bottle.

We have also a very fine engraving on Stone, for the Box labels, specifying the contents of the box, where and by whom manufactured, &c. We have also added to our Pamphlet of directions and certificates, a cover beautifully finished, presenting on the first page a very excellent likeness of Perry Davis, the original inventor of the Pain Killer. The bottle labels, and one label on each box has also a correct likeness of Perry Davis, which it will be impossible to counterfeit successfully.

We have been at this expense, that the public might have perfect confidence that they were getting the genuine article when they buy a bottle as above described. To those who have so long used and proved the merits of our article, we would say that we shall continue to prepare our Pain Killer of the best and purest materials, and that it shall be every way worthy of their approbation as a family medicine.
