AN INCREASE OF 20%

We are proud to be able to announce to our customers and the trade generally, that the volume of business done by us during the year 1891, succeeds that of the preceding year by no less a figure than TWENTY PER CENT. This, in the face of the disturbances brought about by the General Elections early in the year, is to us A MOST GRATIFYING RESULT.

It is proof conclusive:

1. That our goods are the kind that are most saleable.
2. That our prices are right.
3. That our travellers are popular.
4. That our system of filling orders is satisfactory.
5. That we treat our Customers fairly in financial matters.

We would ask our friends to help us make an even greater increase during the coming season.
