## THE JUSTLY CELEBRATED "PLANTAGENET" Mineral Water.

THIS remedial agent has been, and must continue to be, the favourite with the people, in consequence of the quantity of IODINE, IRON, MAGNESIA, &c. it contains, as compared with other Springs, and its superior Medicinal Combination so grand, and providentially supplied. It is unsurpassed as a Tonic, Alterative, Laxative, and Diuretic; as a Beverage, it is an once cooling and healing. Erated, it takes the place of Soda Water. To AMERICAN TRAVELLERS the "Plantagenet" Seltzer Water will supersede To SARATOGA, and obviate the effects produced by change of climate. It is of much service to Ladies. Water consumers should be particular to enquire for the "PLANTAGENET" WATER at Hotels and Apothecaries.

DEPOT: No. 15 Place d'Armes, Montreal.

Orders to the undersigned will have prompt attention.
