

Soft, Rich color effects are produced on shingles by the use of Shingletint.

There are many brands of shingle stains in the market, but only one SHINGLETINT, which means much to the consumer, who may safely buy it and know he is getting the best shingle stain made.

Shingletint is a scientific combination of linseed oil, coloring matter, creosote and the necessary drying agents; its use not only beautifies but prolongs the life of the shingles.

Finished woods and descriptive literature sent free upon application.
