

Conspicuous Nose Pores

How to reduce them

Complexions otherwise flawless are often ruined by conspicuous nose pores. In such cases the small muscular fibres of the nose have become weakened and do not keep the pores closed as they should be. Instead these pores collect dirt, clog up, and become enlarged.

Begin tonight to use this treatment

Wring a cloth from very hot water, lather it with Woodbury's Facial Soap, then hold it to your face. When the heat has expanded the pores, rub in *very gently* a fresh lather of Woodbury's. Repeat this hot water and lather application several times, *stopping at once when your nose feels sensitive*. Then finish by rubbing the nose for a few minutes *with a lump of ice*.

Woodbury's Facial Soap cleanses the pores. This treatment with it strengthens the muscular fibres of the nose pores so that they can contract properly. But do not expect to change in a week a condition resulting from years of neglect. Use this treatment *persistently*. It will gradually reduce the enlarged pores and cause them to contract until they are inconspicuous.

Tear off the illustration of the cake shown below and put it in your purse as a reminder to get Woodbury's and try this treatment. Try Woodbury's also for general toilet use. See what a delightful feeling it gives your skin.

Woodbury's Facial Soap costs 25c. a cake. No one hesitates at the price *after their first cake*.
