THE Charter of this Company confines its business solely to the Insurance of Farm Property, Private Residences, Churches, Convents, and risks of a similar class, avoiding manufacturing and commercial risks.

The Capital Stock of the "Ottawa" is \$1,000,000, in 10,000 shares of \$100 each. Ten per cent. is payable on subscription, which will give the Company, on the present Capital, the sum of \$500,000, which is all that is required to place the Company on a sound financial basis. The remainder of the Capital is subject to the call of the Directors, although it is not anticipated that any further calls will be necessary.

The success that has attended Canadian Companies, carefully managed, that have confined themselves to this field of operations, renders the stock of this a most desirable investment.
