**Electricity as Applied by the  
Owen Electric Belt and  
Appliances**

Is now recognized as the greatest boon offered to suf-  
fering humanity. It HAS, DOES, AND WILL effect  
cures in seemingly hopeless cases where every other  
known means has failed. We give the most positive  
proof that rheumatism and nervous diseases cannot  
exist where it is thus applied. It is nature's remedy.  
By its steady, soothing current, that is easily felt, it  
will cure:

- |                  |                   |
|------------------|-------------------|
| Rheumatism       | Liver Complaint   |
| Sciatica         | Female Complaints |
| General Debility | Impotency         |
| Lumbago          | Kidney Diseases   |
| Nervous Diseases | Urinary Diseases  |
| Dyspepsia        | Lame Back         |
| Sexual Weakness  | Varicocle         |

**RHEUMATISM**

It is certainly not pleasant to be compelled to refer  
to the indisputable fact that medical science has  
utterly failed to afford relief in rheumatic cases. We  
venture the assertion that although electricity has  
only been in use as a remedial agent for a few years,  
it has cured more cases of Rheumatism than all other  
means combined. Some of our leading physicians,  
recognizing this fact, are availing themselves of this  
most potent of nature's forces.

**To Restore Manhood and Womanhood**

As man has not yet discovered all of Nature's laws  
for right living, it follows that everyone has com-  
mitted more or less errors which have left visible  
blemishes. To erase these evidences of past errors, there  
is nothing known to medical science that will compare  
with Electricity as applied by the Owen Electric  
Body Battery. Rest assured any doctor who would  
try to accomplish this by any kind of drugs is practis-  
ing a most dangerous form of charlatanism.

**We Challenge the World**

to show an Electric Belt where the current is under  
the control of the patient as completely as this. We  
can use the same Belt on an infant that we would on  
a giant, by simply reducing the number of cells. Other  
Belts have been in the market for five and ten years  
longer, but to-day there are more OWEN Belts manu-  
factured than all other makes combined.

**Beware of Imitations and Cheap Belts**

Our Trade Mark is the portrait of Dr. A. Owen  
embossed in gold upon every Belt and Appliance  
manufactured by the Owen Electric Belt and Ap-  
pliance Co.
