When I say I cure I do not mean merely to stop them for a time and then have them return again, I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a life-long study. I warrant my remedy to cure the worst cases. Because others have failed is no reason for not now receiving a cure. Send at once for a treatise and a Free Bottle of my infallible remedy. **Electricity as Applied by the Owen Electric Belt and Appliances**

Is now recognized as the greatest boon offered to suffering humanity. IT HAS, DOES, AND WILL effect cures in seemingly hopeless cases where every other known means has failed. We give the most positive proof that rheumatism and nervous diseases cannot exist where it is thus applied. It is nature's remedy. By its steady, soothing current, that is easily felt, it will cure:

- |                  |                   |
|------------------|-------------------|
| Rheumatism       | Liver Complaint   |
| Sciatica         | Female Complaints |
| General Debility | Impotency         |
| Lumbago          | Kidney Diseases   |
| Nervous Diseases | Urinary Diseases  |
| Dyspepsia        | Lame Back         |
| Sexual Weakness  | Varicocle         |

**RHEUMATISM**

It is certainly not pleasant to be compelled to refer to the indisputable fact that medical science has utterly failed to afford relief in rheumatic cases. We venture the assertion that although electricity has only been in use as a remedial agent for a few years, it has cured more cases of Rheumatism than all other means combined. Some of our leading physicians, recognizing this fact, are availing themselves of this most potent of nature's forces.

**To Restore Manhood and Womanhood**

As man has not yet discovered all of Nature's laws for right living, it follows that everyone has committed more or less errors which have left visible blemishes. To erase these evidences of past errors, there is nothing known to medical science that will compare with Electricity as applied by the Owen Electric Body Battery. Rest assured any doctor who would try to accomplish this by any kind of drugs is practicing a most dangerous form of charlatanism.

**We Challenge the World**

to show an Electric Belt where the current is under the control of the patient as completely as this. We can use the same Belt on an infant that we would on a giant, by simply reducing the number of cells. Other Belts have been in the market for five and ten years longer, but to-day there are more OWEN Belts manufactured than all other makes combined.

**Beware of Imitations and Cheap Belts**

Our Trade Mark is the portrait of Dr. A. Owen, embossed in gold upon every Belt and Appliance manufactured by the Owen Electric Belt and Appliance Co.
