has been a memorable year of success for The Great-West Life Assurance Company.

There must be some good reason for this continued success. Within the past four years the Company has doubled the amount of Business in Force—which to-day totals \$57,000,000. During November alone our total applications amounted to over \$1,500,000. The insuring public are beginning to learn where to obtain low premiums and high profit earnings. Actual Results Count

As a tree is known by its fruit, so is a Life Company by the results it produces for its policyholders. And the best proof that a company has made good in that respect is found in the renewal of their confidence by old policyholders. The

MUTUAL LIFE OF CANADA

has many policyholders who not only take out new policies as they can afford to do so, but insure their sons in it just as soon as they attain an insurable age.

A professional man, when acknowledging cheque in settlement of his matured endowment says:—"I am well pleased with my investment, and expect to have insured in your Company in the near future my son for a good amount."
