It is the intention of the Steel Company of Canada to sell to the employees preferred stock at a favorable price, and in the near future the employees will be given an opportunity to purchase stock at a price slightly below the prevailing market.

The Dominion Railway Board have dismissed a complaint of the Connecticut Oyster Company against the present express company rate of 90 cents per pail on empties returned to Toronto from the Canadian West. Mr. T. J. McKay, the manager, stated that his American competitors could return their empties to United States points at 10 cents a pail. Commissioner D'Arcy Scott suggested that his company open an office in Buffalo, and Chairman Mabee advised him to charge more for the oysters. Messrs. H. Walker and Son, Guelph, alleged discrimination in favor of Hamilton and Brantford, the rate from New Haven, Conn., being \$1.40 and \$1.50 respectively to these points, while the rate to Guelph was \$1.75. The board agreed to investigate the matter and judgment was reserved.
