But by submitting elaborate plans and exaggerated esti- mates, scamping the work and using bad materi- als, speculative builders frequently receive on mortgage the full value of house and lot. I can point to houses now in the possession of the mortgagees where more than the whole cost was advanced, the borrowers quietly abandoning the property when the first repayment became due. Brick houses can now be built for less than the cost of rough cast ones four years ago, sales under mortgage winvariably withdrawn.	and prices ba Hardware is Since the da some heavy se good roads a The tempera locomotion in and difficulty AsHES.—P has been to been light. about \$4.00 th have been re Stocks are st 879 brls. pots Boors AND and remitta steady and w <i>brogans</i> \$1.10 ditto <i>Kip B</i>	still e still e and he ture h the co ots	o firm xcited our la falls, elp to howev tity a : The to price mark 5.
