**Mercantile Summary.**

THE STORM of Nov. 30th proved disastrous to  
shipping in the Lower Provinces; several ves-  
sels were lost and a number of lives.

THE CREDITORS of the Oultons' in St. John,  
have accepted the offer of Mr. A. L. Palmer for  
the estate, which will yield about 20 cents in the  
dollar.

IN THE United States it is a crime for any  
person who is an importer to give a gratuity to  
a Custom House officer or an officer of the  
revenue and is punishable with a fine of \$5,000  
or two years imprisonment.

A PROMINENT banker writing us from an  
eastern city of the Dominion throws out the fol-  
lowing hints bearing upon the financial pros-  
pect: "Between now and the middle of February  
we must expect an increasing demand for  
"money. There is much of the wheat yet to be  
"moved and a large proportion of the butter.  
"As soon as sleighing begins in the west, there  
"must be an extension of discounts at an un-  
"usual time. The lumberers have paid up well,  
"though a month later than usual, and as opera-  
"tions promise to be smaller than last year, a  
"good deal of capital will be realised for other  
"purposes."
