MALCOLM'S
Patent Sanitary Wash Basin

This Wash Basin does not give the disagreeable and unhealthy odor that comes from the overflow of all other wash basins in the market. The overflow is from the bottom of the basin, and being trapped at that point, completely stops the smell that would otherwise arise. It is neater and better than any other in the market. Call and see it at our show rooms, 89 and 91 Church Street, Toronto.

"Richelieu"

Registered No. 20/4741.

IN consequence of the great popularity of this Closet, we find that imitations are being made and sold as the Richelieu, though decidedly inferior to the genuine article.

The "Richelieu" Closets made by us are stamped as above, in addition to our "**Trade Mark**," and as the name "Richelieu" is registered in the Department of Agriculture, we shall take immediate action against any one **stamping** the name "Richelieu" on any closet, or **having in possession** closets so stamped that are not of our manufacture.
