**WARNER'S "SAFE" CURE!**

Merit wins!

In the past decade H. H. Warner, who was restored to health from an "incurable Kidney disease" by what is now known as Warner's Safe Cure, and made a vow that he would spread its merits before the entire world of sufferers—has seen the most signal proofs of the world's need of a Scientific Kidney Specific. All nations recognize and welcome Warner's Medicines as standards of the highest excellence, because their curative effects are **PERMANENT**—a sure proof of power and merit. Read a few of their voluntary testimonials. They speak a varied language, but tell a common story.

**FRANK STUART, 28 Free School Street, CALCUTTA, INDIA.** "In 1875 was prostrated with a sudden attack of liver trouble. From '75 to '81 I had twenty of these terrible attacks. On the way to Japan, Capt. Comor of the "Goukai Maru" recommended me to use Warner's Safe Cure. After using 15 bottles, I had a sound, hearty appetite, thorough enjoyment of life, things to which I had been a stranger for six long years.

**GEORGE BICKNELL, Editor Daily Telegraph, MELBOURNE, AUS.,** the great Australian Daily, March 30, 1886, wrote: "Work of a sedentary character for 20 years developed unpleasant symptoms of illness, of the Liver and Kidneys. I used Warner's Safe Cure, which speedily relieved me of the unpleasant symptoms, remedied my Dyspepsia, bettered my appetite, increased my enjoyment of life and work. It is a most valuable medicine, and I have no hesitation in recommending it."

**DR. GUSTAV WEBER, of Dessau, Duchy of Anhalt, GERMANY,** May 30, 1887, writes: "For several years I have suffered with Inflammation of the Kidneys, Rheumatic Pains, etc., for which I go every summer to Carlsbad, and find a little relief. To this suffering is added a Diabetes Mellitus (sugar diabetes), which appears alternately with Rheumatism. With the using of the 15th bottle of Warner's Safe Cure I have completed my cure, for which I am greatly indebted to you. My general health has apparently been restored. I repeat with this my sincere gratitude."

**REV. HENRY PLUNK, M.A., Archdeacon, Townsville, NORTH QUEENSLAND,** Oct. 15, 1887, writes: "During my long bush tours I have come across many wonderful cures effected by Warner's Safe Cure. For fever, so prevalent in the bush, it seems to be a certain cure. From what I have seen on my late trip, I should never start on a journey without my pack being furnished with a bottle."

**GEO. THORNE, Ex-Premier, QUEENSLAND,** at Ipswich, Sept. 2, 1887, writes: "I have recommended Warner's Safe Cure to many people who have suffered from different complaints, and in every case a cure has been effected. Personally I have used the medicine and derived the greatest benefit from it."

H. H. Warner & Co. point with pride to the World-'Round Fame of Warner's Safe Cure. They offer the above as genuine in all respects and true, so far as they know, with \$5,000 for proof to the contrary. Ask your friends and neighbours about

**CAPT. CONNOR, of the Steamer "Goukai Maru," JAPAN.** "Suffered from congestion of the kidneys and liver, losing four stone in weight, determined to give up his steamship, almost contemplated suicide. One day an American passenger recommended him to use Warner's Safe Cure. In two months use he recovered his lost strength, and was the personification of health and strength." "God bless the day I took Warner's Safe Cure," he says.

**GEN. W. F. NUTHALL, of 10 Edith Terrace, Brompton, S.W., LONDON, ENG.,** who contracted Kidney and Liver disease in India, March 10, 1887, wrote that he "was at times prostrated with the most agonizing attacks from passage of Gravel. I was firmly of the opinion that I should never recover my health, as the long residence in India had caused so much disease of the Liver and Kidneys that I was beyond permanent help. In this desponding condition I began Warner's Safe Cure, and in eight months I fully recovered my health, and to-day am in its full and perfect enjoyment, never having had a particle of trouble since my remarkable recovery. As this was five years ago I can safely say that the wonderful cure was permanent, and is all to be attributed to Warner's Safe Cure."—[Author of "Staff Corps Guide."]

**DR. WM. EDWARD ROBSON, late Royal Navy, ENGLAND,** writes April 12, 1887, from New Egham, Stains, Eng.: "My attention was first called to Warner's Safe Cure about a year ago, when a patient of mine suffering from Bright's Disease was cured by its use. Since that time I have prescribed it in hundreds of cases, with the most gratifying results, and I am willing to acknowledge and commend thus frankly the value of this great remedy."

**WILLIAM BRIDE DALLBY, Q.C.,** Privy Counsellor of the Queen, Sydney, NEW SOUTH WALES, writes February 21, 1888: "I can bear witness to the very great improvement in my health consequent on the persistence of use of Warner's Safe Cure." The Hon. W. B. Dalby is the most celebrated lawyer in the Colony and the most brilliant orator and greatest statesman in Australia: he is ex-Premier of the Colony of New South Wales.
