

rendered by Mr. Earp and Mr. Bilkey, and recitations by Mr. Briscoe and Mr. Bell. The news items, read by Mr. Connor, were especially interesting, giving, as they did, the inner history of the college, and men for the past two or three weeks. The meeting was closed by a very instructive discourse in German by Mr. Jones, the critic, on the merits of the respective contributions to the entertainment of the evening.

Mrs. O'Meara entertained the students in the Dean's house on Thursday evening, December 10th. All spent a good time.

The Rev. W. T. Hallan, B.A., represented the college at the convention of the Church Student Missionary Association, held in London, Ont., December 8th, 9th and 10th.

The second debate in the inter-college series took place in Victoria College December 9th, between Victoria and Wycliffe. The subject, the proposed fiscal

policy of the Empire by Chamberlain, was an interesting one. Victoria, who supported the ex-minister's policy, succeeded in establishing their side of the argument.

The men are working hard, preparing for the examinations to be held the last of this term.

The Mission Society Executive has made its appointments to three parishes for Christmas vacation work. Mr. Perry goes to Stewarttown, Mr. Raymond to Hall's Bridge, and Mr. Bell to Cannington. There are other places yet to be provided for.

Rumors are abroad concerning a Christmas dinner to be given next week. The men are carefully preparing.

"No checkee no coatee." Our sympathies go out to the young lady who had to wait until our representative at Victoria conversat got his coat.

Mr. Wagner had a swell affair in room 40. Brown's Throat Liniment is bringing the swelling down.

THIS CUT REPRESENTS THE EXACT SIZE OF THE PEN READY FOR USE

OUR \$1.00 FOUNTAIN PEN IS A MARVEL.

IN durability, finish and appearance it is equal to the more expensive fountain pens in the market. It is made of hard vulcanized rubber. It has no shoulders and thus it is smooth and pleasant for the fingers to hold. The cap, fitting on the barrel instead of below the ink joint, does not in removal tend to loosen or tighten the ink joint, it also acts as a protection against breakages and always fits either end of the holder equally well.

It has a 14 karat gold nib—with a platinum tip and can be had in fine, medium or stub point. One of the most distinctive features of this pen is the feeder.

It is so constructed that it overcomes the trouble of overflowing or dropping ink, especially when the holder is nearly empty, and has a smooth uninterrupted flow.

We will guarantee this pen to be in perfect working order, as all pens are tested before leaving the house. Put up in a neat box with filler and directions.

Mailed to any address in Canada, post paid for
\$1.00

If, after trying this pen, you are not entirely satisfied with it, return it and we'll refund your money.
