QUARTER: 4 -----

ACTIVITIES UNDERTAKEN IN QUARTER:

QUARTER 1: Activities undertaken in the first quarter of the fiscal year 1989. The mission focused on establishing contact with key officials in the Cuban government and the chemical industry. A series of meetings were held to discuss the mission's objectives and to identify potential areas for cooperation. The mission also conducted a series of seminars and workshops to raise awareness of the benefits of export promotion among Cuban officials and business leaders.

QUARTER 2: In the second quarter, the mission continued its efforts to establish contact with key officials. A series of meetings were held with officials from the Cuban Ministry of Foreign Trade and the Cuban Chemical Industry. The mission also conducted a series of seminars and workshops to raise awareness of the benefits of export promotion among Cuban officials and business leaders.

QUARTER 3: In the third quarter, the mission continued its efforts to establish contact with key officials. A series of meetings were held with officials from the Cuban Ministry of Foreign Trade and the Cuban Chemical Industry. The mission also conducted a series of seminars and workshops to raise awareness of the benefits of export promotion among Cuban officials and business leaders.

QUARTER 4: In the fourth quarter, the mission continued its efforts to establish contact with key officials. A series of meetings were held with officials from the Cuban Ministry of Foreign Trade and the Cuban Chemical Industry. The mission also conducted a series of seminars and workshops to raise awareness of the benefits of export promotion among Cuban officials and business leaders.

ANTICIPATED RESULTS:

By the end of the fiscal year 1989, the mission expects to have established contact with key officials in the Cuban government and the chemical industry. The mission also expects to have conducted a series of seminars and workshops to raise awareness of the benefits of export promotion among Cuban officials and business leaders. The mission expects to have identified potential areas for cooperation and to have established a series of working relationships with Cuban officials and business leaders.
