

- Adherence by all economies to relevant international requirements for the security of air and maritime transportation. Leaders call on Transport Ministers to actively take part in the discussions on enhancing airport, aircraft, and port security, achieve effective outcomes as early as possible, and assure full implementation and cooperation in this regard;
 - Strengthening of energy security in the region through the mechanism of the APEC Energy Security Initiative, which examines measures to respond to temporary supply disruptions and longer-term challenges facing the region's energy supply;
 - Strengthening of APEC activities in the area of critical sector protection, including telecommunications, transportation, health and energy.
 - Enhancement of customs communication networks and expeditious development of a global integrated electronic customs network, which would allow customs authorities to better enforce laws while minimizing the impact on the flow of trade.
 - Cooperation to develop electronic movement records systems that will enhance border security while ensuring movement of legitimate travelers is not disrupted.
 - Strengthening capacity building and economic and technical cooperation to enable member economies to put into place and enforce effective counter-terrorism measures.
 - Cooperation to limit the economic fallout from the attacks and move to restore economic confidence in the region through policies and measures to increase economic growth as well as ensure stable environment for trade, investment, travel and tourism.
7. Leaders also pledge to cooperate fully to ensure that international terrorism does not disrupt economies and markets, through close communication and cooperation among economic policy and financial authorities.
