

MCGILL UNIVERSITY

October 27th, 1932.

Sir Arthur Currie,  
Principal - McGill University,  
Montreal.

Dear Sir Arthur,

I am enclosing, herewith, copy of a letter which Miss McGaw, the nurse of Mrs. Hutchinson, received from the Royal Trust.

She tells me that Mr. Payne, in her opinion, has not a leg to stand on and, I believe, this is true.

I understand that the University will be notified when the Courts are ready.

Faithfully yours,

*C. B. Martin*

DEAN.
