SCALES!

Scales! Scales!

TO THE TRADE.

WITH A PRACTICAL EXPERIENCE of over TWENTY YEARS in the manufacture of scales in Canada, we feel confident that our scales are fully equal to any in this market, and we warrant them to be of the best materials, and perfectly reliable.

The accuracy, quality and finish of our goods are fully attested by the awards of first prize which we have received at every Provincial and Central Fair at which we have exhibited during the past twenty years, where we have competed not only with Canadian manufacturers, but with the most popular of American manufacturers.

We also manufacture a superior quality of BRASS WEIGHTS of various patterns, and a desirable pattern of WAREHOUSE TRUCKS.
