The Best Miring Proposition Subscription Issue at 50c Per Share on the Market.... Stock Advances to SIXTY CENTS a share on Sat-With the spening of Spring the Company intend to commence the develop-ment of their 120 acres of gold-bearing lands The properties are situated in the heart of the gold belt of Larder Lake. They are not snowshoe stakings, but were located in October, 1906, by W. A. Begg, B. A. Sc. Consider these urday. Send for Prospectus. Mr. S. P. Madden, the Managing Director, arrived from Cobalt yester-day, and reports that he has let a contract for 75 fees of shart on the "Lucky Star" Mine on Losn Lake. The contractors started work a week ago. This practically makes the company the owner of a shipping mine. Before the snow is off the ground dividends should be paid. Mr. Madden also reports splendid progress on the Bucke Township claim, and thinks that we will run into high-grade ore in the next fifty feet. Another gang of men will start work on the Mentreal river claims. Mr. Madden's opinion is valuable. He has also been appointed as supervisor of the Kerr Lake Company. Low Gapitalization Authorized Gapital Being \$500,000 Sound Financial Basis 25% of Stock in the Treasury Proceeds from sale of Treasury Stock to be used solely for the purposes of development and acquiring additional properties.
