WORK COUNTY AND SUBURBS

Clarke Wallace Had a Torchlight Procession and a Big Meeting at Woodbridge.

HE SIZED UP J. ISRAEL TARTÉ

As an Arch-Traitor and a Treason-Monger—Views From the Country.

Weston, Oct. 24.—Mr. N. Clarke Wallace, the Conservative candidate for West York, was royally received by the citizens of the place tonight, and a torchlight procession heralded his entrance into the village. At the meeting Dr. Charlton occupied the chair, and speeches were given by Mr. John Burton of Weston and Mr. James Bond of Toronto Junction. Mr. Barton gave several statistics, in which he clearly showed that during the past four years the United States, England, France and Germany have increased their foreign trade much in advance of Canada, and that the increase in our own foreign trade is not due to the Laurier administration.

Don't Face the Music.

Tarté, he said, was giving a clear and honest picture of the Laurier administration. He said that he had found it impossible to get Mr. Campbell to attend any of his meetings, and he had found it impossible for him also to attend any of his meetings. Mr. Blair also found similar difficulties with the Reform. He had found it impossible for them to attend any of his meetings. This course was necessary, as the Reformers declined to give accounts of their stewardship at a meeting where their acts could be held up to public view. The Government for their traffic in senators and the toll on contracts, and exposed the lavish expenditure of the people constructed buildings at the Paris Exhibition.

Arch-Traitor and Treason-Monger.

Tarté, he said, was devoting a great deal of attention to his daily in a newspaper, and he had given instructions that Wallace was to be defeated at all costs. He did not think that the people of West York would take their own sides in the campaign, and he had to take them to the streets. He had to take them to the streets, and he had to take them to the streets.

North Toronto.

A most enthusiastic meeting of the town Conservatives was held last night at the club rooms at Easton. The former Liberal Conservative Association was reorganized, with the following officers: President, J. Fisher; vice-president, H. Harper; secretary-treasurer, J. Rogers; and committee, Messrs. J. M. Anderson, E. C. Brown, W. Munton and W. Cochrane. Arrangements were completed for the joint meeting of Hon. N. G. Wallace and Dr. E. Maclean, and it was decided to ask Mr. P. W. Ellis to act as chairman on Friday night. The meeting adjourned after short addresses by Mr. W. G. Ellis and others.

Thorahill.

Miss Amy Gibson, daughter of Mr. P. S. Gibson, C.E., of Willowdale, was made the recipient of a valuable and handsome bracelet-holder on Tuesday evening. The present was the gift of the Sunday School and congregation of Willowdale Methodist Church, of which she is a member. She has been teacher and organist for many years past, and was made one of the few departed to be married to Rev. D. B. Harkness of Horria.

BANQUET AT OLD TRINITY

Marked the Conclusion of the Annual General Exercises Last Night.

JUBILEE CELEBRATION IN 1901.

To fittingly commemorate the fiftieth year of the establishment of Trinity University consisted of business meetings yesterday morning and afternoon and a banquet in the evening.

The report of the Executive Committee showed a balance on hand Sept. 18, 1900, of \$513 and \$200 has since been paid in, making a total of 713 on hand. The total receipts were \$1467. Last year the receipts were \$918 and the expenditure \$303.

Jubilee Celebration.

The committee recommended that a jubilee celebration be held in June, 1901, to commemorate the fiftieth year of the university establishment, and this was approved. The following program was outlined: June 24, service in chapel; June 26, after-noon, conferring honorary degrees, the annual general meeting; June 27 (afternoon), grand banquet and cricket match; evening, convocation. A special dinner will be given on the evening of the celebration.

The banquet in the evening was as successful and enjoyable an affair as these occasions always are. The whole affair was characterized by a high calibre of work so much better than can be done elsewhere.

"In alien Sitten wohin die vier Sinne."

"This covers the whole ground so thoroughly that it is unnecessary to say more. Like all Trinity's dinners it was a stupendous success, and the whole affair was characterized by a high calibre of work so much better than can be done elsewhere."

Ladies in the Gallery.

An element of grace and beauty was lent to the event by the presence of a number of ladies in the gallery, who manifested considerable interest in the whole affair. The ladies were seated in the gallery and manifested considerable interest in the whole affair. The ladies were seated in the gallery and manifested considerable interest in the whole affair.
