"LORD BARRINGTON" ARRESTED.
Charged With Murder of J. P. Mc-
Cann at St. Louis.
St. Louis, June 28.—The nude body
of a man was found floating in the wa-
ter of a deserted quarry this after-
noon. It is supposed to be that of
James P. McCann, formerly a well-
known horseman, who has been miss-
ing since June 18. The police have ar-
rested "Lord Barrington," with whom
McCann was last seen alive. After the
disappearance of McCann, Barrington
was arrested, but he told conflicting
stories, was released, the authorities
finding no positive proof of guilt against
him.
F. Seymour Barrington, self-styled
representative of the British army, col-
onel in the British army after he was
here late in 1902. He stopped at the
Southern Hotel, and spent money lav-
ishly. He was here for the purpose, he
said, of purchasing mules for the
British army in South Africa, and was
a special representative of the British
government to the World's Fair. Soon
after coming here he became acquaint-
ed with Miss Wilhelmina Grace Coch-
rane of Kansas City, whom he married
last January. He supposed her to be
an heiress. She repudiated him after-
wards.
MIRACULOUS ESCAPE.
New York, June 28.—While standing
in semi-darkness on the bridge over
Conrad Island Creek, a trolley car con-
taining 60 persons was smashed into
splinters by a five car third rail train.
Plunging headlong into the creek,
leaving the side rails of the car
rolling in under them, 40 of the pas-
sengers escaped serious injury, and of
the remainder only one, Policeman
O'Rourke, with a broken rib and pos-
sible internal injuries, is considered in
any danger.
Daniel E. Connor, formerly a Toronto
Street Railway motorman, and now an
hotelkeeper in New York, was severely
injured by being thrown from a car
on Saturday. His head and spine were
injured, and his leg crushed. He was
taken home in an unconscious con-
dition.
Canadian Tug Seized.
Ogdensburg, N.Y., June 28.—The
Canadian tug Davis, owned by Wil-
liam Davis & Son of Ogdensburg, was
seized here Saturday while en-
tering the harbor for fuel. The owners
paid a contract for enlarging the
dredge of Ogdensburg in passing
thru the canal. The seizure is
made the first time the Davis is found
with American waters, to force settle-
ment of damages.
Southern and Julia Marlowe.
London, June 28.—In connection with
the contract recently made for the
joint appearance for three consecutive
seasons of E. H. Southern and Julia
Marlowe, under the management of
Charles Frohman, it is said to be
highly probable that Mr. Southern will
appear in London in Justin Huntley
McCarthy's "A Proud Prince," prior
to his appearance in America with
Miss Marlowe.
Foeder 27 Years Old.
Naacogdoches, Texas, June 28.—A
hundred of foeder twenty-seven years
old was shown here Saturday. It was
killed from the stalk twenty-seven years
ago by H. C. Fuller, a farmer living
near Malone, and is still in state of
perfect preservation.
