YOUTH 18, WOMAN 48.

Wronged Husband Values Wife's Affections at \$2000.

Lyons, N.Y., April 1.—The second chapter of a domestic drama, which began in Lyons on the night of Dec. 7 last, when Mrs. Frank Percy eloped with Frank Bruche, a youth of 18, was opened yesterday by Frank Percy, the deserted husband in the case, instituting a supreme court action against the youthful eloper for alienation of his wife's affections, placing a value on the same of \$2000.

Mrs. Percy's age as given by her husband is 48 years. She has four children, the oldest of whom is but one year younger than the boy she went away with. Her husband also alleges that to pay the expenses of the flight his wife took \$30 of certain insurance money which had been paid to her on the death of one of her children four months previous to the elopement, besides helping herself to various articles from his personal wardrobe for the adornment of her youthful lover. The couple have been living in Rochester for some time, where Bruche had obtained employment in a cigar factory.

The inquest on Jack Hall, who died from the injuries he received by being run over by a street car Wednesday evening, resulted in a verdict of accidental death.

DAVIES' Crystal Ale now becomes the favorite—delicious, appetizing; no dregs in bottle.

DAVIES' Family Cream Ale fills a long felt want; agreeable with stomach, giving health and strength.
