

VICTORIA OLD BOYS HOME AT LINDSAY AND ONEMEE

W. A. Sherwood, Orator of the Day for the Toronto Association— Good Time Spent.

Lindsay, Aug. 1.—(Special)—Lindsay to-day suffered an invasion to which it joyfully surrendered in the shape of the Victoria County Old Boys' Association of Toronto. Great indeed must have been the expectations of the visitors if they were not fully realized in the reception, both official and personal, accorded them to-day. The town was in gala attire for the reception, and welcome was not more plainly spelled on banner and address than it was in the faces and deport-

ment of the citizens of Lindsay, as they vied with each other in extending an open arm reception to those whom they had 'loved long since and lost awhile'.

Quite a number came down from Toronto on Saturday night, and formed the advance guard and heralds of the throng which followed by regular and special train. They were probably half a thousand strong and with them came the 48th Highlanders Band of Toronto, whose music placed the citi-

zens under much obligation to the homeowners. Mayor Southern and the aldermen of the town met the morning train, and rode next to the citizens' band in the procession that followed to the market square. There the mayor read an address of welcome, to which Mr. W. A. Sherwood, president of the visiting association, responded. The addresses contained an exchange of the most hearty goodwill and felicitation. In the afternoon more than a thousand members of the Agricultural Park, and to the strains of the Highlanders' band, saw the visitors' baseball team defeated by a local scratch team. The local league team was defeated by the I.C.B.U. team of Toronto by 3 to 0, and the Broadview Lacrosse aggregation of Toronto was downed by the Lindsay boys. To-night the Highlanders' Band gave a concert in the skating rink.

DAY AT BERLIN.

The Strathconas had eight hits and eleven errors. Berlin had twelve hits and eight errors. At the beginning of the ninth Berlin led by a run, but the visitors then pounded out three runs. The batteries were Hyndes and Graham and Rosekat and Wiggin. There was a track procession in the morning and a good program of noon in the afternoon, including a tug-of-war, in which

the government offices were open, and here and in every other city the banks, stock exchanges and business houses were closed. Brilliant weather prevailed, and in consequence the river and seaside resorts were crowded. At Cowes, Isle of Wight, King Edward VII. Queen Alexandra and a large assembly of fashionable people attended the opening of regatta week. The weather was fine, but the wind was light, only enough to flutter the innumerable burgees flying from the yachts which crowded the roadsides. The first race was a handicap for yachts of over 100 tons, in which Emperor William's Meteor II, the Imperator (owned by Morton F. Plant of New York), among others, participated. The Imperator came in first, but the White Heather won on time allowance.
