Give Your Wife One

HOUSANDS of wives and daughters run their own Ford cars. They use them for shopping, calling, attending the theatre, taking the children for a run in the country or to school.

The Ford is as easy to operate as a kitchen range, no knowledge of mechanical details being necessary. Inexpensive to operate. A woman can call around town all afternoon, or take a 25-mile spin in the country, at the minimum of cost for gasoline, oil, wear on tires, etc.

You couldn't give "her" a present she would appreciate more than this beautiful, modern car, with its stream-line effect, tapered hood and crown fenders.
