Johnny Concedes Welsh Ten Pounds in

SEASON VICTORIA DAY

Tuesday's Fight.

Cleveland, April 27.—Fight fans figure that Johnny Kilbane is taking a big gamble in his match with Lightweight Champion Freddie Welsh, at New York next Tuesday night.

While Welsh will make 135 pounds for Kilbane at 3 o'clock, Tuesday afternoon, it will mean he will be around 138 or 140 at ringside, which is within fair striking distance of the old welter mark of 142, while Kilbane will be around 127 or 128.

CLYMER SUSPENDED

Louisville, Ky., April 27.—President Hickey, of the American Association, today indefinitely suspended Manager Clymer of the Louisville club and Pitcher Cocreham of the Kansas City team, following the attack made on Clymer by Cocreham after the close of yesterday's game. Roxey Roach will manage the Colonels during Clymer's al sence.

SARNIA, April 27.—May 24, Victoria Day, has been named as the date for the inauguration of the Twin City Baseball League, comprising two teams from Port Huron and one from this city, and the initial contest will be staged in this city between the team known as the "Old Timers" from Port Huron and the Imperial City nine, if present plans carry.

Splendid enthuslasm has prevalled at the meetings of the league which have been held in Port Huron for the formation of the league, and in the event that the city league in Sarnia fails to materialize, the interest of the fans will be centred on the efforts of the local nine to carry off the laurels in the Twin City League.

C. W. Loomis, of this city, is a member of the board of directors of the league and promises to put the best available team in the league, and the playing talent of the city will be closely scrutinized to secure a winning nine.
