KILLED HER HUSBAND

DETROIT, March 16.—Willard Rice.
23, former army sergeant, is dead from a bullet wound in his head, thought to have been inflicted by his wife, Dorothy, to whom he was married a week ago.

Rice was found this morning lying unconscious across his bed, while his young wife, who admitted their married life had been quarrelsome, lay by him in a faint. Rice died at noon in the Receiving Hospital.

It was said Rice had been suffering from a wound sustained in battle, and that prior to the shooting he had threatened to kill another young woman with the same weapon with which he was shot. Mrs. Rice is being held by the police.

"What To Read" was the title of an nteresting address by Public Librarian Fred Landon before the Tuxis boys' groups of the Y. M. C. A. last night. Milton Walker, grand pretor, presided, and following the address, the various groups were given tests by their mentors on books they had read during of infection.

Boys between fifteen and eighteen years of age read less than any other period of life, stated Mr. Landon. They should read more, and along three different lines, vocational books dealing with the work and subjects along the line of their prospective calling in life. They should read inspirational books showing how other men have succeeded.
