The elevation being high, the air is bracing and healthful; as one resident has said, "it's grand here." Near to schools, a minute's walk from cars, 11 minutes to Queen and Yonge Streets.

The houses are newly built and ready for occupation; they have six rooms, all modern conveniences, such as gas and electric lights, three-piece nickel-plated plumbing, clothes closets, summer porches, good pantries, sideboard built in from kitchen to dining room, a great convenience; large verandahs, improved furnaces, divided concrete cellars, side entrances, concrete walks to front. These houses are well and substantially built and located in a fine residential section.

They were built to suit the requirements of the man who desired a first-class home with all improvements at a low price. If you are looking for a home it will pay you to come and examine these houses. If you are investors, this is an opportunity for you; being new houses, no repairs will be required for ten years.
