Notice

Take notice that the Municipal Council of the Corporation of the City of Toronto intends to carry out the following local improvement works, and to assess the final cost thereof upon the property fronting or abutting thereon and to be benefited thereby. The reports of the City Engineer, recommending the said works, and statements showing the lands liable to pay the assessments thereof, as far as they can be ascertained from the last revised Assessment Roll, are now filed in the office of the City Clerk, and are open for inspection during office hours.

HENRY GEORGE PLAN IS NOT FOR SIR JAMES

Ontario's Premier Invites Discussion on Single Tax Question and Then Puts His Foot Down.

Continued From Page 1. ticle in which the exodus of American farmers to the Canadian west was ascribed to the new system of taxation which was springing up here. The City of Ottawa was strongly in favor of the bill, and he asked that they be given permission to make the experiment. The principle of it was in favor among the farmers, who were now loth to tax improvements on the

W. H. Hoyle (N. Ontario) said the reference to the farmers was misleading. The value of farm land was fixed

MacKay Not Shocked. Hon. A. G. MacKay was not shocked by Mr. Fripp's bill, he said. It had worked out well in farming communities to give the assessor power not to assess improvements too high. He thought, however, that the matter should not be made one for conflict at annual municipal elections as to wnat the tax rate should be based on. He would prefer that any action taken should be along the lines of a resolution he himself had brought forward some years before, in which the tax rate on improvements, all over the pro-vince, was to be fixed at not more than Allan Studholme (E. Hamilton) de-

clared that there was "no Henry Georgeism about it—only a little wee bit." This was nothing to what they were doing in England. The fact that people send out certain printed resolutions to the muni-cipalities, and get them signed, and get them noticed in the newspapers,"

declared Sir James Whitney, "is noindication whatever that the public to stamp out the disease, which at mind is excited about the matter. It He objected to the measure if for

Searching for Nostrums. A man is better employed in raising his family than in going about the country searching for a nostrum sto cure all the ills of humanity, and bring about the welfare of the world. There is no reason why we should fly off the

"For people who have nothing to do, who havn't to earn ber living, it is no doubt very comfortable to six down and hear high-principled gentlemen discuss from hour to hour these nostrums, which are proposed sometimes, Mr. Speaker, where there are no di-

The people of the United States, he argued, had had nothing to do with the theories of Henry George; in view of this, Ontario should go slow. New Trustee Bryans, seconded by Chair-Zealand and Australia were on the man Simpson, to retihe Inspector Zealand and Australia were on the other side of the world. People would home conditions, which might be quite

"It is strange," he said, "if a piece of land which I own may be taken the bill were adverse to the change. away from me, and \$100,000 in C. P. R. onds which I have put away in the bank, and with the increase in the value of which I have as little to do as with the increase in the value of the land, should not be touched. If there in all personal property?"

Pay Double Fares. In moving the second reading of his oill to amend the Ontario Railway Act, 1906, C. A. Brower (E. Elgin) stated that it was intended to meet a grievance which existed on the electric line running from St. Thomas to Port Stanley, where passengers who got on between stations were charged double fare to the next station. Hon. J. S. Hendrie said that when

that a two cent a mile rate would meet the difficulty, but it was found in the case of lines running on the highways that it was sometimes difficult to say just where a passenger got on. The suggestion had been made by street railways and by the street railway association for the adoption of ville.

the bill was framed, it was thought

a "zone system," whereby 5 cents would be charged for the first 21/2 miles, and when another zone was entered another 5 cents would be add-Government Considering It. There is no doubt that friction does exist," said Col. Hendrie, "but in order to give time for a consideration of the zone system. I would ask my honorable friend to withdraw his bill. Lean assure him that the government has the matter under consideration.

We hope to bring in this year or next year a measure which will solve the Brower to the fact that the railway under Dominion control as regards

Two bills of H. P. Innes (S. Norfolk) to amend the public schools act and the truancy act were withdrawn at all dealers, or The Catarrhozone on the suggestion of Hon. L. B. Lucas. Co., Kingston, Ont.

The bill of H. Eilber (S. Huron), to municipalities power to pass a and by-law to raise debentures for second by-law to raise depending for telephone purposes after construction is begun, and they know better what the cost will be, passed its second

Onus on Hotelkeepers.

W. H. Hearst (Soo) introduced a bill to place the onus on hotelkeepers in case of fatal fires in their premises, when the proper escapes required by law have not been provided, to prove

that such deaths were not due to this failure of their part. In concurrence in the report of the ommittee of supply, Hon. J. S. Duff eclared, in answer to Hon. A. G. Mac-Kay, that no passages of immigrants would be paid until the government 10 ft. concrete pavement, on the lane between Beaconstield and Northcote-avenue, from the lane ist north or Queen-street to the lane 2nd north or Queen-

officials were satisfied that these were lesirable persons.

Hon. J. S. Duff introduced a bill to extend the machinery now used to combat the San Jose scale to the ravages of codling moth, yellows, little peach, black knot, pear pysila and pear blight. It is made an offence to sell or import trees suffering from any of these troubles. By the new act a petition of 25 fruit-growers is necessary to the appointment of an inspec-
