

Tanks have always been in the running, and now that the injured men are again on the active list, and the pitchers are going well, it will be a hard bunch to stop. Frank Baker has struck his home-run stride again, after having been in a hatting slump most of the season, and Fritz Maisel is about ready to get back into the game. The Yanks, having over-hauled and thrown down Cleveland, seem to be the most formidable clubs in the league, tho the strucgie is at present a tight one among six clubs. There are many who think that Hughey Jennings' Tigers will be strictly in the hunt as the days go by. Detroit, as was the case last year, is weak in the pitching depart-but, with Ty Cobb and the other slug-gers hitting their natural gait again, the Jennings men are due to knock out a considerable percentage of victories.

Fans who see a team at the top of the race and expect to find the reasons for the lofty position in the work of some great light will be surprised in the case of New York at present leading the Amer-ican League. Cleveland's stay at the topmost berth could be attributed to Speaker, Graney and a few other famous performers. Such, however, is not the case with the Yankees. A somewhat un-usual fact is that not one member of the team is batting in the 300's. Pipp, play-ing first base regularly, sports a batting mark around .265, but he is among the "ten best sluggers." But, what is most significant is that his slugging comes at opportune times.

The Yanks' famous \$15,000 beauty, Fritz Maisel, is said to be slated for an-other berth. Fritz, despite his good baseball qualities, has been forced to play second fiddle since Frank Baker is on the Yankee team. Washington is said to be hot on Fritz's trail, too.

This is done to force the umpire to throw out new balls. When the Pirates bat. Callahan alleges, the old balls are returned in time to keep them in play. The Pirate leader appealed to Umpire Harrison about the matter and he made sure that Garry Hermann, who was sitting in a box, heard his allegations.

"The game is too big to allow any tactics of this sort," said Callahan in commenting on the matter.

BASEBALL AT BROADVIEW.

In a twilight game at Broadview field Monday Broadview won in easy fashion from Simpsons by a score of 7 to 0. Er-nie Hurd was the reason. the big south-paw holding the big store team to one hit, a double by Almas in the second. Gus Kerr pitched a fair game for Simp-sons, but was rather liberal with his passes and this, coupled with a few time-iy hits and ragged support, let in the runs. Hurd's control was almost perfect and he had twelve sirike-outs to his cre-dit. Score: R.H.E. The Leafs picked up seven bingles, scattered thru six innings, two in the opener coming after Truesdale and Smith had fanned. Murray singled thru the box, stole second, but only could make third on Graham's scratch. Murray was caught yards off the plate, on a nice play by Casey and McAuley, on the at-tempted double-steal, and was out in slid-ing back to third. That was the closest our boys came to the home plate yesterday afternoon. Thereafter Kirmayer heaved air-tight ball and had almost perfect control. His only pass was to Smith in the sixth, which Trout opened with a clean single, McTigue sacrificed him down the second attempt, and then Truesdale and Mur-ray struck out. It was Frank's blue Mon-day at the bat, as he whiffed on three, of his four journeys to the plate, and finally raised a short fly to left. Rochester won out in the sixth, which Kirmayer opened with a strong to above; McAuley singled to left, Leach being held at second. Zacher fouled out, and then Jacobson hoisted one over Thompson's head for two bags, and Leach scored. McAuley going only as far as third. Holke's sharp grounder to sec-ond closed the round. McAuley pulled off the best play of the day in the fourth, when he stuck out his sizzler back of second, and retired the runner at first. Holke also pulling off a nice one-hand catch on the throw, but sticking to the bag. Tho Smith had a couple of errors, he looks good at short, and with two msreo outfielders somewhat of the calibre of John (Red) Murray, allowing Thompson to take his turn on the mound, the Leafs should come pretty near landing the fiag. The day was warm and the crowd fair. A sprinkle of rain fell late in the gam. A very interesting and hotly contested match was played Dominion Day on Mr. Carl's lawn under the shade of the old Carl's lawn under the shade of the old apple tree, when the following clubs were represented: D. B. College, Toronto C. Club and Ballantine of Scotland. There were very fine finishes and sur-prises in the match, Lonergan holding Ballantine to 3 draws, Carl 2 drawn 2 lost. Smith fully expected a walkover in Carl, but was glad to break even. Brown, by some very expert finishes, held Atche-son. Games won-Ballantine 10, Lonergan , Carl 8, Smith 8, Atcheson 7, Brown 5.

Highlanders went into action 350 strong with 30 officers and the colonel and the adjutant and 110 men alone, who were survivers, took and held their objective. "Four successive lines were swept away, and the fifth went on without hesitation, while two days later the remnant was asked to make an attack, and they did it with the utmost elan and good spirit. "These troops," Mr. Churchill went on, "1200 selected out of a brigade of 4000, wept over the parapets to the attack. You talk about the charge at Balaclava and the Fusiliers at Albuera; even these deeds pale by these new divisions raised in the British army. Needless to say, no account of these achievements, other than a very jejune account published many mothes afterwards, has reached the ublic. "Four battalions of this primary division of Scotland have been disbanded and merged with other battalions, who are also short, and their places have been taken by a South African brigade." 11 17 24 27 24 16 21 13
