IF BACK HURTS FLUSH KIDNEYS

Eat Less Meat, Also Take Glass of Salts Before Breakfast Occasionally.

Too much meat may form uric acid, which excites the kidneys; they become overworked; get sluggish, ache and feel like lumps of lead. The urine becomes cloudy; the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region; you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

Drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys may then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to help neutralize the acids in urine, so it is no longer a source of irritation, thus often ending bladder weakness.

Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia water drink which everyone should take now and then to help keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in correcting kidney trouble while it is only trouble.

SUBURBAN SERVICE—CANADIAN PACIFIC RAILWAY.

For some considerable time, Canadian Pacific officials have been studying plans to take care of their suburban traffic in such a manner that the same of standard service will be accomplished. Last year the service was very efficient, but the idea is to make it more so.

It has been definitely decided to give suburbanites and others ever more adequate facilities for traveling between the city and the various resorts.

With this end in view, practically the entire suburban service will become operative on April 30th, whereas in former seasons there was only a partial service until the last week in May. For example, the noon suburban on Saturdays will operate from the first Saturday in May to and from Welsford during that month, and Wednesday and Saturday during June, daily except Sunday thereafter. After April 29th there will be the early train into the city as last year, followed by the regular local Fredericton express.

By the way of a new departure, and effective April 30th, suburban will leave the city shortly after nine o'clock in the morning, local time, and will be able to return this train will arrive in the city shortly before noon. It is felt that this additional service will prove very popular with the householders, the opportunity of leaving their homes in the late morning, and return can be conveniently made on the evening trains.

As usual, the regular Fredericton express will leave the city at 5.10 p.m. local time, followed by the 6.10 for Welsford, same as last year.

Starting on April 30th the evening suburban will arrive from Welsford about nine o'clock local time, and will leave the city again shortly after ten o'clock. This will afford a splendid opportunity for those who cannot use the afternoon trains, or require to spend the evening in the city, to reach their homes in the country.

With the adoption of Daylight Saving Time, all schedules will be altered to conform accordingly. Then there will be the Sunday trains between St. John and Fredericton, starting Sunday, April 29th, which trains will make all connections.

With this announcement so early in the season, summer residents will know just what to expect in the way of suburban service. A great deal of favorable comment is being heard from the suburbanites, and it is hoped that on the part of the Canadian Pacific.

Another year of service passed in review at the annual meeting of the Church of England Deacons and Missionary Training House, held at the residence last evening, with the president, Rev. Canon O'Meara, in the chair. There was a large attendance of officers and friends of the house.

In her report, president, Miss T. A. Connel, referred with deep regret to the death of the Rev. G. A. Kubring, who had been interested in the work since its inception, having held successively the offices of treasurer, secretary and president.

During the year 18 students presented themselves for examination, with the result that 29 first-class honors were gained at Wycliffe College and four at Trinity. Two of the students attended the Social Service lectures at the University of Toronto last year; this year the number has now been increased to 10. On May 1 diplomas were presented to three of the students, Miss Lillian K. Brown, Miss Muriel H. Jackson and Mrs. Phillips Pettit.

Wide Field of Work.

A total of 2,462 visits were paid by the Nursing Department, under Miss Macrae, in the 12 months. Almost 500 attended the weekly clinics held at the house, with 118 obstetrical cases, 121 medical cases and 78 operations.

A well-baby clinic has been started, and has been most successful and useful to the mothers. Thirty women, 89 children and 67 older girls were given outings at the shore. Christmas cheer was given to 200 children and 88 children at Moorelands. Christmas cheer was given to 200 children and 88 children at Moorelands.

W. D. Thomas, treasurer, reported receipts of \$15,204, disbursements of \$15,474, with cash on hand and in investments and legacies of \$2,400.

YESTERDAY IN CITY CHURCHES

In St. Andrew's church last night, Rev. D. Thomas, the minister, preached his farewell sermon, speaking feelingly of the associations which his seven years of ministry had brought to him. There was a large congregation present, and it was with very real regret that the members of the church realized that Mr. Dowling was not to occupy the pulpit again as his pastor. A congregational social will be held during the week to give the people an opportunity of saying good-bye to Mr. and Mrs. Dowling. They and their family will leave on Easter Monday for Sydney, where Mr. Dowling will enter on his new duties as minister of St. Andrew's church.

Recital in Trinity.

The last of a series of organ recitals on the Saturdays in Lent was given in Trinity church on Saturday by the organist of the church, J. S. Ford, and was greatly enjoyed. The programmes for the series of recitals have been composed of famous hymns of the church and the programme on last Saturday was a repetition of the favorite hymns of all those given in the earlier recitals. Miss Louise Knight was the soloist and sang "When I Survey the Wondrous Cross" with great sympathy. The choir of Trinity church besides preparing for the Easter music has been practicing for the cantata, "The Message From the Cross," by Macfarlane, in which Miss Louise Knight and E. C. Lawrence will be the soloists.

The congregation of Centenary church was greatly delighted last night by the violin selections which T. Carleton Brown, of Montreal, contributed to the musical portions of the service. Mr. Brown has won a well-merited reputation as a musician and at last night's service he played a violin solo while the offertory was being taken and also provided the violin obbligato

Hot Buns

Success is in the air at Robinson's big Bakery—the Hot Cross Buns are turning out better than expected. And much was expected for last year they were so good we had to make thousands of dozens.

A large stained glass window, beautiful in design and coloring, was unveiled in St. John's (Stone) church yesterday at the morning service by the rector, Rev. A. L. Fleming in a brief and simple but deeply impressive ceremony. The window was the gift of the family of the late Mrs. Edward Bates and was erected to her memory. The church wardens, J. E. Second and George Warwick assisted in the unveiling ceremony and a large congregation was present.

Two church festivals were observed yesterday, Palm Sunday, and the Annunciation, or Lady Day. The blessing of the palms took place in the Catholic churches and in the Anglican churches services appropriate to the day were held.

The service in Portland Methodist Church last evening was partially conducted by the girls of the congregation. A. C. G. I. T. choir was led by Miss Anna Alley and Miss Doris Bromfield. Members of the Young Ladies' classes gave out the hymns, read the Scripture and made the invocation. The ones assisting in this respect were Miss Harriet Wright, Miss Laura Fanjoy and Miss Marie Tower. Rev. H. B. Clarke spoke on "Attonement."

A special musical service was held in the Fairville Methodist Church last evening to commemorate Fanny Crosby, the blind poetess and hymn writer. Rev. J. M. Rice gave a historical sketch of her life.

The following Methodist ministers observed the customary pulpit exchanges:
