

therein named, shall carry and show the same lights as other vessels under way.

(b.) All vessels when engaged in fishing with drift nets shall exhibit Two White lights from any part of the vessel where they can be best seen. Such light shall be placed that so the vertical distance between them shall be not less than 6 feet and not more than 10 ft. ; and so that the horizontal distance between them measured in a line with the keel of the vessel shall be not less than 5 feet or not more than 10 feet. The lower of these two lights shall be the more forward, and both of them shall be of such a character, and contained in lanterns of such construction, as to show all round the horizon, on a dark night with a clear atmosphere, for a distance of not less than 3 miles.

(c.) A vessel employed in line fishing with her lines out, shall carry the same lights as a vessel when engaged in fishing with drift nets.

(d.) If a vessel when fishing, becomes stationary in consequence of her gear getting fast to a rock or other obstruction, she shall show the light and make the Fog Signal for a vessel at anchor.

(e.) Fishing vessels and open boats may at any time use a flare-up in addition to the lights which they are by this Article required to carry and show. All flare-up lights exhibited by a vessel when trawling, dredging, or fishing with any kind of drag-net, shall be shown at the after port of the vessel, excepting that, if the vessel is hanging by the stern to her trawl, dredge or drag-net, they shall be exhibited from the bow.

(f.) Every fishing vessel and every open boat when at anchor between sunset and sunrise, shall exhibit a white light visible all round the horizon at a distance of at least one mile.

(g.) In fog, mist, or falling snow, a drift-net vessel attached to her nets, and a vessel when trawling, dredging or fishing with any kind of drag-net, and a vessel employed in line fishing with her lines out, shall at intervals of not more than two minutes make a blast with her foghorn and ring her bell alternately.

ART 11. A ship which is being overtaken by another shall show from her Stern to the last mentioned ship a White light or a flare-up light.

SOUND SIGNALS FOR FOG, &c.

ART. 12. A steamship shall be provided with a steam whistle or other efficient steam sound signal, so placed that the sound may not be intercepted by any obstructions, and with an efficient Fog Horn to be sounded by a bellows or other mechanical means, and also with an efficient bell. A sailing ship should be provided with a
