in Order to Move to Western Canada

Vancouver, April 19.—Declaring that the principal reason for the exodus of negroes from Oklahoma, a movement which has resulted in bringing many of Ladysmith Must Be Careful if They this race to the doors of Canada demanding admission to the agricultural lands of this country, was the persec of the whites in that state, one of the immigrants said yesterday that the scare in the immigrants and yesterday that the conditions of life for the negroes in the soccer league.

"The free lands of Canada were first brought to our attention by a traveling passenger agent of the Burlington Rallway," declared this negro, "but what we are confidently looking for is a land where we will be free in the fullest sense of the term, The 20,000 negroes of Oklahoma are tired of the Jim Crow practices of the whites of that state. It is Jim Crow here, and the situation has grown in tolerable to the negroes. Why we are not even allowed to vote in Oklahoma and we have looked on Canada as a land where we could enjoy the fullest freedom."

Signed, and his place has been filled by the appointment of F. H. Peters, D. L. S., C.E.

Mr. Peters is one of the young Canadians who, while still young, already can look back upon an enviable record in their chosen professions. A son of Colonel J. Peters, formerly of London, Ont., and now of Victoria, B. C., it seemed only natural that he should enter the Royal Military Colondon, Ont., and now of Victoria, B. C., it seemed only natural that he should enter the Royal Military Colondon, Ont., and here we could enjoy the fullest freedom."

The immigrant making this statement was one of two nestoes who were members of a party of thirty which arrived at White Book on the internafreedom." arrived at White Rock, on the international boundary, last Thursday direct from Oklahoma, from which state they travelled in a Burlington railway coach. Immigration officials refused to admit eleven children of the party because they were suffering from an infection disease of the throat. When admittance was refused the children all but two of the negroes turned back. Among those who retreated were four familie to settle in Washington or Oregon T. Baring's Three-Year-Old They absolutely refuse to return to Oklahoma and their great desire is to get out of the United States.

It was stated by the man interviewed yesterday that there was no organization or common action behind the movement of Oklahoma negroes to Canada other than that of the Burlington Railway. He declared that the negroes who had started for Canada had sacrificed their farms in Oklahoma at prices ranging from \$12 to \$20 per acre rather than remain there any longer and submit to the indignities which he insisted were being heaped upon members of his race by their white neighbors.

TACOMA'S MAYOR DEFEATED.
