Cardinals Assembled.

After the mass of the Holy Ghost, the n of the holy see "under hostile cardinals assembled as usual in congre-nation," and recommends the quick gation, in the hall of the Consistory, It advises the holding of the conclave the conclave were read and each carrifn where, contrary to usage, the rules of Rome, unless the Sacred college all took the oath to obey them. This could not be in the enjoyment of full ceremony generally occurs in the Sistine berty. It enjoins the election of a new chapel, in the evening, just before shute, not according to the personal pre-

After this ceremony the cardinals hur-ried away from the Vatican to return later with the more or less numerous articles which they deem necessary for The cardinals to-day visited the cells their attendance at the conclave. Some which they are to occupy during the of them have made preparations as conclave. Some were not satisfied. Perhaps the most dissatisfied is Cardinal were content to prepare for a few days sojourn at the Vatican.

The discomfort which the cardinals ill experience by being shut up in the Vatican is somewhat lessened by the exceptional weather, which is cloudy, cool and windy, the thermometer only reaching 75 in the shade, while, generally, at bearer of the "golden rose," the this season, the mercury reaches as high as 100 in the shade at noon.

Selecting Guards.

The confusion which ensued from the loss of the temporal power of the Papacy made it necessary to cut down expenses, and among many other things, the numers of the noble guard were much reduced, so that now there are only about forty of these soldiers. As it is custom-ary for each cardinal to have a guard old off for his service in the conclave, d there are sixty-two cardinals, it has een decided to press into this service he cadets. The latter are not fullfledged soldiers, and were drawn by lot. lected Pope, the sum of \$10,000, or lucfative employment. The excitement over the drawings of the lots is intense, as the soldiers do not usually get such a reward for a few good wishes.

Liimted Attendance.

The marshal of the conclave, Prince July 31.-Those who know the Chigo Albani, having insisted that the number of people who are to enter the conclave must be reduced to a really indispensable number, there will be only

THEY SEEK TO LYNCH COLORED PRISONERS

Conductor and Engineer by Their Cool ness Succeed in Defeating the Objects Aimed At.

Huntington, W. Va., Aug. 1.-The Chesapeake & Ohio express train, No. 1, was held up by a mob of two hundred men near Clifton Forge late last night, and a desperate effort was made to take two negro prisoners from the train. Shots were fired by the mob, and when the train reached here, all the window glass had been shot out.

Stopped the Train.
At Clifton Forge, the two negroes were taken on board to be brought to Covington, Va. The engineer and conductor saw lights waving on the track after leaving Clifton Forge. As they came to a standstill a mob surrounded the train and threatened to shoot the engineer if he moved it.

The conductor was prepared for a mob. and ordered all the doors of the cars locked. Finding it impossible to obtain the negroes, the crowd gathered around the smoking car, in which the negroes were under guard.

The conductor cautioned passengers to lie flat on the floor as the mob began Not a passenger or train man was in-

Engineer's Chance: The engineer during the firing had sat upon his engine covered by revolvers in the hands of several members of the mob, when the mob had almost exhaust-
