

FIFTH ANNUAL MEETING.
OF THE
Association of Dominion Land Surveyors,

Held at Ottawa, March 15th and 16th, 1888.

The meeting had been set for March 13th and 14th, but owing to a snow blockade, which happened at the time, a postponement until the 15th inst. was unavoidable. The blockade was the cause of the absence of the President and many members who had signified their intention to attend.
