and this upon preliminary crops alone. Rubber, Cocoa, Vanilla, etc., are permanent crops, and when these begin to yield the profit to stockholders will reach annually nearly double the original investment.

The Obispo Plantation consists of nine thousand acres. Some thousands are already under cultivation, and the executive and working force thoroughly organized on the most economical basis- no salary is paid to the officers and the labor is cheap. To develop more of the land additional capital is needed. For this purpose subscriptions for stock in the Obispo Rubber Plantation Co., are invited. These may be made in amounts of one share or upwards, payable in full at once or in monthly instalments of Five Dollars.

# IT IS WORTH WHILE TO SEND FOR PROSPECTUS.

The standing, ability, experience and financial responsibility of the men at the head of this enterprise will carry great weight with discerning investors. The thorough manner in which each subscriber is kept in touch with the property, and the measures used for the protection of the interests of all investors, large and small, are such as in no other similar enterprise. These statements will be verified by over 1,000 stock holders, to any of whom we shall be glad to refer intending investors.

His real object was a manifest when he stated that the erament ticket now had but members, and he had been inforthat if this convention nominate suitable candidate, he would be cepted as the fourth man on ticket. It was understood before that Mr. Vroom was to be the codate. He has always been a stilberal and government supporter, it was evidently his intention to ture the temperance vote for his pont webber of St. David's, Re Prosser of Campobello, Harrison Allister of Militown also spoke.

Mr. Vroom stated that his expetions were to draw votes from bot the tickets, but that he though would be useless to run if two tickets should be formed. Others and then W. S. Robinson offered a solution to the effect that it was sense of the convention that a ca
