Thousands of persons afflicted in like manner have, by a judicious use of Moffats Life Pills and Phenix Bitters, been restored to the enjoyment of all the comforts of life. The Bitters are pleasent to to the taste and smell, gently astringe the fibres of the stomach, and give that proper tensity which a good digestion requires as nothing can be better adapted to help and nourish the constitution, so there is nothing more generally acknowledged to be peculiarly efficacious in all inward wastings, loss of appetite, indigestion, depression of spirits, trembling or shaking of the hands and limbs, obstinate coughs shortness of breath, or consumptive habits.

The Life Medicines possess wonderful efficacy in all nervous disorders, fits, headaches, weaknesses heaviness and lowness of spirits, dimness of sight confused thoughts, wandering of the mind, vapours and unclamboly, and all kinds of hysteric complaints are gradually removed by their use. In sickness of the stomach, flatulencies, or obstructions, they are safe and powerful, and as a purifier of the blood they have not their equal in the world.
