Cobb Robbed in Line Drive Which Would Have Scored Two Men--Matty Pitches Giants to Victory Jeffries and Rickard Dispose of Rights for Half That Amount--Gleeson Holds On To His.

Washington, June 25.—Washington played poor ball today and New York won, 7 to 4. Heinrich made his debut in the American league, pitching the last two innings. While Daniels also came out for the first time, relieving Chase for the final round. Score by innings:— 00010000—4 7 3 New York 01002111—7 16 2 Batteries:—Johnson, Heinrich and Street; Warhop, Sweeney. Time—1:45. Umpires Egan and Sheridan. Detroit, June 25.—Stone's one hand running catch of a line drive from Cobb's bat in the fifth inning saved today's game for St. Louis. There were two men on bases and both would have scored had the hit gone safe. St. Louis won, 2 to 1. Both sides fielded brilliantly. Score by innings:— 00100000—2 7 0 Detroit 00100000—1 9 0 Batteries:—Ray and Stephens; Summers and Stange. Time—1:35. Umpires Connolly and Dineen. Chicago, June 25.—Chicago made it three straight from Cleveland today, winning 4 to 0. The veteran Young was hammered for three singles each in the third and fourth innings. Score by innings:— 00220000—4 8 1 Cleveland 00000000—0 6 1 Batteries:—Scott and Payne; Young and Easterly. Time—1:42. Umpires Evans and Kerth. Fight May End Any Time. In order to carry out the terms of their contracts all Joe Louis' contracts are required to do is to enter the ring here July 4th and begin fighting. Rickard is required to use all his best efforts to see that the fighters come together. All other responsibility develops upon the picture men. Tex Rickard said this morning that according to information which he has received from the Southern Pacific headquarters, he is inclined to believe that no diminution in the number of fight visitors will result from the change of battleground from San Francisco to Reno. The promoters estimate that the crowd that will witness the contest will be 17,000. Many complaints are being made by visitors desirous of inspecting Jack Johnson's training quarters and seeing the champion work because of the inaccessible location of his camp. To reach the road house where Johnson is quartered it is necessary to secure an automobile or some other conveyance, as it is entirely off the line of the local trolley system, and is far out of reasonable walking distance. Moana Springs, however, is touched almost directly by Reno's street cars and for that reason Jeffries' camp is expected to draw a much larger number of visitors than Johnson's.

New York, June 25.—New York today defeated Philadelphia by a score of 4 to 1 before one of the largest crowds of the season. This was the fourth tenth victory of the year over the Philadelphia, who were unable to hit Matthewson. The score by innings: Philadelphia 00000100—1 5 12 New York 00000100—4 10 9 Batteries:—Pfeiffer, McQuillen and Jacklitsch; Mathewson and Myers. Umpires, Klem and Kane; Time, 1:45. Pittsburgh, Pa., June 25.—Pittsburgh today took another game from Chicago, full of wrangles and objections by the players. After hitting two batters, Leever was requested by the Chicago players to leave the rubber. The players appealed to the umpires, claiming Leever's wildness might prove dangerous to life and limb. Umpire Moran ordered Leever to pitch several balls over the plate to demonstrate his control. He did this and was continued in the game. Steinfield and Chance were ordered off the field for too vehemently protesting. Pittsburgh won in the third inning in which Reulbach was hit hard and often and five runs were scored. Score by innings:— Pittsburgh 00501020—8 12 2 Chicago 01000001—2 8 1 Batteries:—Leever and Gibson; Reulbach, Richie and Kling. Time—2:10. Umpires Johnson and Moran. National League. St. Louis, June 25.—St. Louis won two games from Cincinnati today by scores of 9 to 1 and 5 to 4. The visitors put up poor games. The second game was called after seven and one-half innings were played because of darkness. Score:— Pittsburgh 00001305—9 10 2 St. Louis 00000001—1 5 6 Batteries:—Harmon, Bresnahan; Doyle, Beebe and Clarke and McLean. Time—2:32. Umpires, Rigler and Emslie. St. Louis, June 25.—Second game:— St. Louis 00012300—6 9 2 Cincinnati 01020100—1 5 6 Batteries:—Buckman, Corridon and Lash, Willis and Bresnahan; Rowan, Burns and McLean. Time—1:55. At Jersey City, second game, Buffalo 1; Jersey City 0. At Newark, Rochester 7; Newark 8, 0.

Good Sport at the R. K. Y. C. Motor Boat Races at Millidgeville—Some Exciting Finishes Were Seen.

The R. K. Y. C. motor boat races held at Millidgeville on Saturday afternoon, were a great success. There was a long list of starters and all the events were keenly contested. The races were run under the American power boat association's handicapping rules. Following is a complete story of the race as told in detail by the score:

Class 1—Under 25 Feet. Start Finish Mascot, 8, 2:30 3:13.45 Sagwa, 10, 2:35.52 3:15.50 Swastika, 11, 2:42 3:21.20 Monahae, 14, 3:37.49 3:24.35

Class 2—Speed Boats Over 25 Feet. Keona, 3, 3:00 3:26.48 Pharoah, 4, 3:04.22 3:29.54 Phoenix, 2, 3:02.50 3:31.14

The officials were: Starter and timers—G. C. Rothwell, J. H. Kimball and A. J. Trafts, Judge—T. T. Lantlam, J. R. Armstrong and R. D. Patterson.

Before a crowd of 500 fans on the Every Day Club grounds on Saturday afternoon Charlie Tilley's trappy ball players were busy in the Clippers into camp in a game that was replete with good and bad plays. Taken altogether it was the most interesting of any of the afternoon games in which these teams have figured this season.

The Clippers played good ball at times and very bad at others. The St. Johns were not immune from errors either but they were in great luck inasmuch as their errors were not costly and the Clippers misplays came at times when they could do the most harm. Two of the most costly were made by Taylor on first. Generally this artist played clean classy game and covers the initial bag in good style but he had a couple of ascensions on Saturday and was largely responsible for the St. Johns victory.

Neither side scored in the first two innings and the St. Johns were the first to tally in the third. The Clippers came back with two runs and to put him in the woods and caught the assassins fell upon them after that and notched up four more runs while the McBride men could get but two more across and the game ended with the score 5 to 4 in the St. Johns' favor. For the victors Bart Nesbit was the goods on the firing line while Jimmy Rootes resisted all efforts of a bunch of noisy rooters in the stand to put him in the woods and caught him at the right time. Both teams played well in the infield but in this respect the victors had the better of the argument.

The score tied at the end of the eighth at 2-3, it looked like anybody's game, but Cribbs' pretty single drove two men home, while the Clippers were only able to get one across in their half.

ST. PETERS IN TWO ON SATURDAY

Harrington's Stellar Work Gave North Enders Victory Over St. Josephs—A. O. H. Forfeits Chance at Eve'ing Game

St. Peter's St. Josephs 5. Only Harrington's wonderful work in the box for the North Enders and the poor support behind Howe in the fifth lost the game for the St. Josephs Saturday. Howe pitched a great game and fielded his position well, but the Boston boy had a good shade on him. Each team had a bad inning three of the purple and white pattern making the circuit in the fourth, on a lone hit by Donovan, and in the fifth the North Enders more than evened up by sending four men over the plate with three consecutive hits, and two errors by the St. Josephs.

Class 2—Open Boats Over 25 Feet. Keona, 3, 3:00 3:26.48 Pharoah, 4, 3:04.22 3:29.54 Phoenix, 2, 3:02.50 3:31.14

ALL EYES ON STOVALL NOW

George Stovall, first sacker of the Naps, with considerable interest from now on, for Brother George has been appointed captain of the Cleveland aggregation. Jim McGuire, veteran manager of the team, says Stovall is one of the brainiest men playing the game.

It was something of a surprise when McGuire made the appointment, as this spring he had Stovall on the bench, LaJolie playing first and Terry Turner on second. McGuire, however found that Stovall was needed in the game because of his general all-around ability and he shifted his infield to get George back.

In the old days it was generally believed that all a first baseman had to do was to catch balls thrown to him by other infielders. Fred Tenny, Anson, Hal Chase, Harry Davis, Frank Chance, and others changed the style of play, and now managers agree that a first baseman is really the proper man to direct the defensive work of a ball team.

Harry Davis with the Athletics, Chance with the Cubs and Hal Chase with the Yankees have shown just what a first sacker can do when bossing a ball team. Tenny captained the Giants, Anson put Chicago on the baseball map and other first sackers have made good.

Philadelphia, June 25.—Miss Hazel Hotchkiss of Berkeley, Cal. here this afternoon successfully defended her title as woman lawn tennis champion of the United States by defeating Miss Louise Hammond of New York in straight sets 6-4, 6-2.

In the women's doubles championship Miss Hotchkiss and Miss Edith Roche, Boston, beat Miss Browning, New York, and Miss Wiley, Plainfield, N. J., 6-4, 6-4.

and the Hibernians evidently afraid to continue, at the instance of their captain, delayed the proceedings, until Umpire Mitchell announced St. Peter's as winners.

Dever started in to pitch for the St. Peter's, and after 4 hits were made off his delivery, the first inning, leading three Irishmen across the plate, Harrington was sent in to finish the game. He gave a remarkable exhibition and allowed but two puny singles, and fanned 9 later in the remaining 5 innings. Following is the official score and summary:—

Rossler. He pleaded not guilty and was paroled until July 1 for a further hearing. Rossler has also begun a civil action for \$5,000 damages.

St. John, N. B., Shamrock Grounds, Saturday evening, June 25.—St. Peter's 4; A. O. H. 4, 5 and 1-2 innings. Game forfeited to St. Peter's by Umpire Mitchell, when A. O. H. attempted to delay play.
