Hostels - The Affordable Adventure

The longer you keep it to yourself, the harder it is to make it go away.

Often when a woman is raped, she tries to push it out of her mind, thinking it will just go away. Except, that only makes all the bad feelings worse.

What does help is talking about it. To a friend or family member. Or a counselor from a rape treatment center. You can find one in the Yellow Pages under "rape."

There is a way out of the silence.
Because rape shouldn't have to last a lifetime.
