Unless Sec 18 of the BNA Act has been amended (has it?) the provisions of Chapter 147 of R.S. Can. which attempt to keep the privileges of the Canadian Parliament in step with those of the Parliament of G.B. & I., as from time to time provided for by Canadian legislation, are ultra vires.

I judge that you have what you needed preliminarily.

If, later, I can help any more I shall, when desired.
