PERSONAL

Hon. Dr. J. T. M. Anderson,
Prime Minister of Saskatchewan,
Regina, Sask.

My dear Dr. Anderson:

Among many letters of the kind, there is one from J. Alfred McDonald, in which he asks me to help him secure a position for which he has applied under your Government.

First of all let me say that I would not on behalf of anybody whomsoever do anything to embarrass your Administration, and will be entirely satisfied with your decision, because I know the difficulties Governments have in these matters.

Mr. McDonald, however, is of strong Conservative connection in the Province of Quebec, and no doubt braved quite a lot to support us through the war and after. You probably will know him personally better than I do. I attach copy of letter I have written to him.

Yours very truly,

AM/E.

Arthur Meighen.
