Dear Member:—

The Federation is appearing before the Board of Control at the City Hall on Wednesday next, November 25th, at 11 a.m. to ask for a grant to the Federation for 1932.

You as a Director realize how necessary it is for the welfare of our agencies and of the people in their care that this grant be made. In fact, the Federation is not asking for more than the minimum amount by means of which the services of our agencies can be maintained during next year.

Will you be good enough to make a note of the day and hour and endeavor to help our cause by your presence then for a few moments:

Yours sincerely,

ADH:RP

Alec D. Hardie
General Secretary: R.P.
