March 27, 1920.

Dear Mr. Perry,-

In a recent letter received from the Teacher of a day school on the Fort Alexander reserve, in Manitoba, he makes complimentary reference to the work of one of your officers, who investigated the making and selling of beer on the reserve. He states that he would very much value future visits from the members of the Force.

I wish, once more, to express my appreciation of the efforts of the Royal Canadian Mounted Police to maintain law and order on our Indian reserves.

Yours very truly,

Deputy Superintendent General.
