

- A. I saw the body lying on the sidewalk about fifty feet from the vehicle.
- Q. What time did you arrive at that spot?
- A. Approximately 0055 hours.
- Q. I am going to ask you to draw a sketch of the matters referred to in your evidence. Will you draw the things as I ask you questions?
- A. Yes
- Q. Will you first of all draw an arrow on the sheet showing the NORTH direction.
- (witness draws)
- Next of all will you draw two lines representing the curbs of Avenue Brugmann at the scene of the accident?
- (witness draws)
- Q. What was the width of the street there?
- A. Approximately thirty feet.
- Q. Will you mark that in from curb to curb?
- (witness draws)
- Q. Now will you please draw in the EAST and WEST sidewalks? What was the width of the sidewalk, approximately?
- A. Ten feet, sir (witness draws)
- Q. Will you mark in ten feet? As the width from curb to house.
- (witness draws)
- Q. Were there any tram lines in that street?
- A. Yes, sir.
- Q. Will you draw these in?
- (witness draws)
- Q. I see that the tram lines lie on the EAST side of the street and not in the centre. Is that correct?
- A. Yes, sir.
- Q. Will you tell the Court what the pavement of the street consists of?
- A. Shingled verge, sir, about three feet, and the rest was small flags.
- Q. What about the road area itself?
- A. cobble stone, sir.
