Canada's first Financial-Commercial Daily will make its appearance on or about May 1st.

The present weekly Journal of Commerce is to be expanded into a daily newspaper covering in the widest and most thorough manner possible the whole field of commerce, finance and industry.

The new publication will be headed by the Hon. W. S. Fielding, ex-Finance Minister who will be President of the Company and Editor-in-Chief of the paper. Mr. J. C. Ross, the present editor of the weekly Journal of Commerce, will be Managing Editor, and will be assisted by a staff of competent writers, each of whom will have charge of a department of the paper's activities.

Correspondents in the principal Cities and Towns in Canada will furnish a daily digest of the country's business while **Special Telegraph service from New York and London** will give readers of the Journal first hand information of the world's commercial activities.

In brief, the new Journal aims to become "**The Business Man's Daily**," serving up to its readers in a condensed and readable form a summary of the world's Commercial and Financial undertakings. Its staff of special writers, its own correspondents, its special telegraphic service from the great business centres, will make the paper peculiarly fitted to render to the Canadian Business Man and to the Business Man abroad who is interested in Canada, a service not hitherto undertaken by a Canadian publication.

A Valuable Aid to to every business man
