NEPONSET PAROID ROOFING

NEPONSET TWIN SHINGLES

The Long-Life Roofing

For Farms, Factories and Railway Buildings

STUDY the roofs in your neighbourhood, particularly those that have been up for 10 years or more. Now, as a guide to the roofing YOU should buy, remember that Paroid Roofs laid 19 years ago are still giving excellent service. Could other roofings equal this record at anywhere near the same first cost?

NEPONSET Paroid ROOFING

You cannot beat the quality of this asphalt-saturated Paroid, so why pay more than the cost of Paroid? It is the utmost in quality you can buy in roofing for service and satisfaction. Rain, hail, heat and cold won't hurt Paroid, and it offers real protection when fires are raging nearby.

Look for the roll with the Paroid label. There is only one genuine PAROID. This is it →

Sold by Lumber and Hardware Dealers

Paroid is made with a Grey surface; also with a permanent Red or Green surface of crushed slate, which is in demand for roofing residences, as well as farm, factory and railroad buildings.

"Bissell" AND Service

ARE ONE. The Implements bearing the Bissell trade mark stand always for service—one goes with the other—Bissell Disks have time and again made a record for themselves doing double the work against all competitors.

The merit of the Bissell implements is strikingly proven by letters from representative farmers in Canada, United States and New Zealand—one of our many satisfied users writes as follows:

Mervin P. O., Sask., Canada,
T. E. Bissell Co., Ltd.,
Elora, Ont.

Dear Sirs:—

Your Disk, which I have used for ten years, has given me excellent satisfaction. I have only put one plate on as regards repairs till now, and I think if new ball boxes are furnished, it will run another ten. It has been over some of the roughest ground in Saskatchewan as our land is mostly scrub and some heavy timber, besides a few stones, and it is a wonder it is not all to pieces by now, so that on the whole it cannot be beat for durability and light draft. I remain, Yours truly,

George Spencer.

The particular impressing feature of "Bissell" implements is their durability. Words of Praise encourage us to make "Bissell and Service" greater than ever.

The name Bissell has the confidence of all farmers because of the assurance they have in the service and guarantee that backs up the implement bearing the name. Recognition of this fact is the Foundation Stone of Bissell's Service.

Just Put Clothes In—the Washer Does the Work

If you have a gasoline engine—if you have electric power—then no longer need you even work the lever of a hand-power washing machine. Let "power" help your work as it does your husband's!

Of course you realize that a washing machine, even run by hand, is quicker, easier, better than washing by muscle-power. But here's a washer that does everything—all you have to do is "turn on the juice."

Maxwell Power Bench Washer

—will do the washing while you do other work! No need to watch it—it can't go wrong. It will do the wringing too. Easy to operate—simple and strong in construction—perfect in mechanism. Made in one-, two-, or three-tub size; operates equally well by 1/6 h.p. electric motor, or any gasoline engine. Write us to-day for full particulars—it will be time well-spent.
