

## PEDIGREED BARLEY FOR SALE.

I have 500 bushels of Pedigreed Duckbill Barley for sale. The stock from which my grain was grown has been carefully selected each year for the last twenty years. It is a heavy yielder; should average from 45 to 60 bushels per acre on soil suitable for barley growing; have known even larger yields. The grains are large and plump, straw abundant, stiff and bright. No more apt to lodge than Fife wheat. It is an upright grower; will outyield six-rowed or any other variety of two-rowed barley on same land from 5 to 10 bushels per acre. Is far superior to any other variety of two-rowed or six-rowed barley in both straw and grain, also for feeding purposes. English experts have reported it an excellent malting variety. Single bushels, 80c. per bushel. In ten bushel lots, 70c. per bushel. Twenty-five bushels and over, 65c. per bushel. Bags 20c. each. All grain put free on board C.P.R. or G.T.R. Cash must accompany all orders. Address H. H. SPENCER, Brooklin P.O., Ontario Co., Ont. 328-c-om

## STOCK GOSSIP.

In writing to advertisers please mention the Farmer's Advocate.

Mr. Hugh Thompson, St. Marys, Ont., reports the following sales of bulls, viz.:—One roan bull calf to Mr. Val. Ficht, Oriel P.O.; one roan to Mr. Walter Murray, Avonton P.O.; and one red to Mr. Harry Greeson, of East Nissouri. They are all very fine animals, well calculated to improve any herd.

John A. Duff, Myrtle, Ont., recently sold to Mr. Samuel McArthur, Oro Station, his two-year-old filly, Sunrise. She was awarded first prize and silver medal at the Toronto Industrial Exhibition, in 1892, for best heavy draught mare any age, and was recommended for a place in the live stock exhibit to be sent from Ontario to the World's Fair.

Mr. Neil Smith, Brampton, Ont., advertises a public sale of imported Clydesdale stallions and mares and a number of first class Canadian bred mares and fillies, also 20 head of Jersey cows and heifers, on March 7th. Mr. Smith is known to be a first class judge of Clydesdales, and these stallions, which are all in their prime, rising 4 years old, were selected by himself in Scotland, and are well up to the standard in every respect.

MR. GRAND IN FUTURE WILL HOLD HIS SALES OF HORSES AT NEW YORK.

The public sales of high class Canadian horses held in Toronto of late years have been looked upon as one of the attractive events of each year. The enterprise Mr. Grand has displayed in commencing these sales has proved of immense benefit to Canadian horse breeders, and all those who have produced animals for sale and purchase purposes are much indebted to him for the introduction of this trade. Not only by this means have our horses established a name that will help to sell them in the future, but these sale rings have been of great service in disseminating a vast amount of information among our breeders, and have been the means of showing what sort of horse is in demand. It is, therefore, from the latter standpoint, a matter of regret that Mr. Grand has decided to hold these sales in his newly acquired quarters in New York, from which city so many of these buyers came. He has been the pioneer in inducing purchasers from Eastern cities to come to Canadian sale rings, and he now proposes to sell Canadian horses in New York for Canadian who ship them there for sale.

and certainly this arrangement will have untold advantages to the genuine Canadian trade. It is a thoroughly established fact that never in the past at any season has the supply of really choice horses been equal to the demand in this great metropolis and large as the demand has been in the past for our best Canadian horses, this year will witness a still further increase, owing not only to so many American families remaining at home on account of the World's Fair, but also the great influx of foreigners from all nations, will give a greater impetus to the trade than ever.

MR. GRAND being an extensive and liberal advertiser in the leading influential journals throughout America, combined with a thorough and intimate knowledge of his business in all its details, and with a full determination to spare neither time, trouble or expense in this enterprise, together with his personal supervision and conduct of these sales, consignors will receive every attention and courtesy possible, and will necessarily see for themselves the superior advantages offered in their interests by favoring him with their patronage.

Therefore, breeders and shippers desirous of holding sales under these auspices will kindly communicate to secure dates with as little delay as possible, as by so doing combination sales can be arranged for parties wishing to send small as well as large lots.
