### VALLEY HOME SHORTHORNS, BERKSHIRES AND SHROPSHIRE.

Valley Home Stock Farm is one of the oldest-established stock farms in Canada, and the owners, Messrs. S. J. Pearson & Son, of Meadowvale, Ont., 20 miles west of Toronto, on the C. P. R., are among the best known and most highly respected of the Shorthorn breeders of the country. The senior member, Mr. S. J. Pearson, is one of the oldest Shorthorn breeders in Ontario, and knows about all there is to be known regarding Shorthorn lore. This herd has always held a high place among the best in the country, and never was there a choicer lot of the most fashionable strains on the farm than the fifty-odd head rearing the luxuriant pastures just now. The Gloucester strain is represented in Gloucester 9th (imp.), by Luxury. She has a splendid bull calf, by Royal Diamond 2nd. The Jilt strain in Imp. Rosie 3rd, by Alan Gwynne, who has a red yearling daughter; the Bruce Mayflowers in Miriam (imp.), by Beau Ideal; the Minas in Mina of Kinellar 7th (imp.), by Lucky Archer. Other strains represented are the Nonpareils, Rosebuds, and Marchionesses, and a grand old Canadian family, the Lady Brants. Many of these cows are exceptionally thick, smooth animals; others are heavy and persistent milkers. The stock bulls are Royal Diamond 2nd, by Imp. Royal Diamond, sire of the Toronto grand champion this year, dam Mina of Kinellar 7th (imp.); he is a very even, smooth, deep-fleshed bull of superior quality. Second in service is Royal Scott =49813, by Imp. Scottish Pride, dam Imp. Rosie 3rd; he is a red three-year-old, one of the low-down, thick kind, smooth and even. Following him is Proud Archer =49812, by Greengill Archer (imp.), dam Miriam (imp.); he is a red two-year-old, a very lengthy, deep-fleshed bull, the making of a very heavy animal. One or two of these bulls are for sale. Their predecessor, and the sire of a number of the young things, was Trout Creek Banff =40076, by the \$5,000 Lord Banff (imp.), dam Proud Amaranth (imp.), by Pride of Morning. Among the young things are two yearling bulls, by Royal Scott, and out of Rosebud and Mina dams, and five others from five to eight months of age, by same sire, some of them out of imported dams, also one yearling Jilt heifer, two yearling Mina Males, one yearling Nonpareil, three yearling Lady Brants, one two-year-old Nonpareil, two two-year-old Rosebuds, and three two-year-old Lady Brants, the whole making a very attractive offering. At the head of the Berkshires is Imp. Myrtle's Prince, a hog of great depth and length. Second in service is Durham's Victor 20th 13279, by Sambo, dam Victoria (imp.), a very lengthy, quality boar. The brood sows are imported and home-bred—a grand good lot. For sale are about a dozen young sows, six and seven months old, all being bred to Imp. Myrtle's Prince, a rare nice lot. The Shropshires are an ideal lot, large and well covered. For sale are 20 ram and ewe lambs, sired by a Dryden ram. Write the Messrs. Pearson, to Meadowvale P. O., Ont.
