GUELPH, ONTARIO.

## "DE LAVAL"

### means a cream separator with the "trouble" left out

That's the way a user who has had a lot of personal separator experience and the opportunity to observe a great deal of other people's experience aptly describes the meaning of the name "De Laval" on a separator—"a separator with the trouble left out."

To many buyers of a cream separator and other farm machinery there's more meaning in that simple statement of fact than in a hundred other claims and arguments that might easily be made for the De Laval.

And if anyone would know how and why the "trouble has been left out" of a De Laval machine, a new De Laval catalogue—the most complete and interesting story of the cream separator ever published—to be had for the asking, will help to make it plain. See the local agent, or address the nearest office as below.

## THE TWO

Greatest forces in the world to-day are Life and Death. We go through one to the other. Are you making the most of your opportunities during the former? If you are not, you are going to be a failure. We all cannot be wealthy, but by economically laying aside money for an Endowment Policy when young, we can at least assure ourselves of a comfortable old age, and should death intervene at any time, our dependents are assured of something to fall back upon. Write now to the

24 Morris St., GUELPH, Ont.

Here is a Money Saver—A two in one, an Emery Machine. Just the thing a farmer needs who has power. Why do you grind the old way when a machine like this will do it in one-tenth the time? You can grind your Cultivator Points, Disc Harrow Plates and Points, Plough Points and Mower Knives so that they are just as good as new, and as good as any Machinist could do it for you. The Machine will pay for itself in a very short time. It has ball bearings 1.1-1.6 x 5 inches long, grease lubricator. Any size stone, 2 inches wide to any diameter can be used. This machine is furnished with an 8 x 1 1/4 inch stone. Weight complete about 28-lbs. Price only \$8.00. Sold direct to farmers or agents. Agents wanted. Write for testimonials to—J. G. CRESS, Machinist, Waterloo, Ont.
